

Interventional Radiologist

Location: Calgary, Alberta

Employment Type: Full or Part-time

Posting Date:

At the root of our values, Beam Radiology looks to redefine Diagnostic Imaging in a private setting. We pride ourselves on taking a distinctly different approach to patient care, one that goes beyond traditional methods by bringing a new approach to the patient experience, quality of services and expertise of service delivery, all while redefining Diagnostic Imaging programs.

Position Overview:

As a fellowship-trained MSK Radiologist at Beam Radiology, you'll play a pivotal role in our specialized clinical practice. The ideal candidate will have a strong interest in interventional procedures, research and innovation. Additionally, the ideal candidate will be proficient in MR and CT imaging.

Key responsibilities include:

- Conducting advanced comprehensive body imaging procedures utilizing MR and CT technologies.
- Collaborating with a multidisciplinary team to deliver personalized patient care.
- Contributing to research, education, and the development of best practices.

Work Schedule and Compensation

- Full-time position, primarily daytime shifts with equitable day, evening and weekend call responsibilities.
- Competitive earning potential.
- Flexible work schedule and vacation time.

Qualifications

- Board certified in Diagnostic Radiology.
- Eligible for full independent registration and licensure with the College of Physicians and Surgeons of Alberta.
- Fellowship training in Interventional radiology is an asset.

The Team and Facilities

Beam Radiology is composed of a dynamic team of radiologists supported by experienced technologists, sonographers, nursing staff, and administrative personnel. Our facilities are

equipped with cutting-edge technology to provide high-quality diagnostic imaging and interventional procedures.

Beam Radiology opened its doors in 2019, quickly expanding its services to 6 physical locations - 5 in Calgary, 1 in Canmore - and providing teleradiology coverage to 4 hospitals and 28 remote Health Centres.

Our Radiologists, clinicians, technical staff, and administrative team all come with 10+ years of experience at other Diagnostic Imaging practices in Alberta. Many of our Radiologists are former managing partners or Practice Directors. Very quickly, our pool of staff has grown to over 200 members working day in and day out to provide a high level of service, while supporting over 20 Radiologists.

Our commitment to excellence is not just about Diagnostic Imaging service delivery, but also about nurturing an environment where our people feel valued, supported, and inspired. At the core of any successful Diagnostic Imaging entity is a team of dedicated professionals who are passionate about making a difference. At Beam, we foster a culture of collaboration and creativity, and ensure that every member of our team knows they are an integral part of the amazing work we do.

We believe that by thinking differently and caring deeply, we can transform the patient experience and lead the way to better patient outcomes. Our journey is one of continuous improvement, driven by the belief that everyone deserves access to compassionate, innovative care.
