

Perinatologist

Location: Calgary, Alberta

Employment Type: Full or Part-time

Posting Date:

At the root of our values, Beam Radiology looks to redefine health care delivery in Alberta. We pride ourselves on taking a distinctly different approach to patient care, one that focuses on holistic care, delivering a new approach to the patient experience. You'll work alongside other perinatologists and obstetricians as well as fellowship trained radiologists in an environment that prioritizes exceptional quality and expertise of service delivery

Position Overview:

As a Perinatologist with Beam, you'll possess outstanding clinical skills and the desire to work collaboratively with other health care providers and allied health practitioners including MFM nurses and MFM obstetrical sonographers in an outpatient setting.

Key responsibilities include:

- Management of high-risk pregnancies in conjunction with obstetricians and family physicians for both pre-natal and post-natal care.
- Counselling to expecting parents regarding prenatal testing, treatment options and potential risks.
- Collaborating with and mentoring a multidisciplinary team to deliver personalized patient care.
- Contributing to research, education, and the development of best practices.

Work Schedule and Compensation

- Full-time or part-time position, primarily daytime shifts with equitable call responsibilities and remote reporting opportunities.
- Competitive earning potential.
- Flexible work schedule and vacation time.
- Opportunities for professional growth and skill expansion.

Qualifications

- Board certified in Maternal-Fetal Medicine.
- Eligible for full independent registration and licensure with the College of Physicians and Surgeons of Alberta.

The Team and Facilities

Beam Radiology is composed of a growing team of radiologists, perinatologists, anaesthesiologists and family physicians supported by experienced technologists, sonographers, nursing staff, and administrative personnel. Our facilities are equipped with cutting-edge technology to provide high-quality diagnostic imaging and interventional procedures.

Beam Radiology opened its doors in 2019, quickly expanding its services to 6 physical locations - 5 in Calgary, 1 in Canmore - and providing teleradiology coverage to 4 hospitals and 28 remote Health Centres.

Our Physicians, clinicians, technical staff, and administrative team all come with 10+ years of experience at other practices in Alberta. Very quickly, our pool of staff has grown to over 200 members working day in and day out to provide a high level of service, while supporting over 30 physicians.

Our commitment to excellence is not just about health care delivery, but also about nurturing an environment where our people feel valued, supported, and inspired. At the core of any successful health care entity is a team of dedicated professionals who are passionate about making a difference. At Beam, we foster a culture of collaboration and creativity, and ensure that every member of our team knows they are an integral part of the amazing work we do.

We believe that by thinking differently and caring deeply, we can transform the patient experience and lead the way to better patient outcomes. Our journey is one of continuous improvement, driven by the belief that everyone deserves access to compassionate, innovative care.

Join Us

Join Beam Radiology and become part of a team committed to setting new standards in excellence and patient care. Apply today and embark on a rewarding career path in one of Canada's leading health care providers.

Beam Radiology is an equal opportunity employer committed to creating an inclusive environment that values diversity. We encourage applications from all qualified individuals, including women, minorities, veterans, people from the LGBTQ+ community, and people with disabilities. Reasonable accommodations are available to access job openings or apply for a job.

About Calgary and Canmore

Our vibrant city of Calgary, known for its cultural diversity, rich amenities, and proximity to the Rocky Mountains and National Parks. Calgary, ranked as the 5th most liveable city in the world, offers a high quality of life with numerous cultural, recreational, and educational

opportunities. Enjoy a variety of cultural and sporting activities, numerous sprawling parks and pathways, excellent schools, and a strong sense of community. Just a short drive away, Canmore provides an idyllic mountain setting for those who enjoy outdoor activities like hiking, skiing, and mountain biking. Canmore offers a unique balance of city amenities and natural beauty, making it an excellent place for both work and leisure.
